<p>Intervention groups for Literacy and Maths. A teacher to deliver intervention programmes with small groups of children or on a 1:1 basis. HLTA delivering intervention groups 3.5 days per week Intervention - teacher 2 days per week then 2.5 days from 1/1/18 - 31/3/18 Photo copying and stationery</p>	<p>£5,849 £3,830 £9,968 £500</p>	<p>Intervention programmes delivered to support children's learning. LGa has used her professional judgement to create a bespoke learning packing for these children to close the gap and extend their learning.</p>	<p>Despite having some Literacy and Maths intervention groups in school, children with Pupil Premium funding have not sufficiently closed the gap with disadvantaged pupil national averages for 2017. This is due to having an inconsistent approach across school, mainly due to staff absences.</p>
<p>Intervention for emotional and behavioural needs NURTURE GROUP</p>	<p>£9,500</p>	<p>Three afternoons per week with a maximum of 16 children (8 children attending an hourly session). Specific assessments known as Boxall profiles are done at the start of the programme and further assessments to look for progress achieved are completed at the end.</p>	<p>The Nurture group was very successful in 2017 - 2018, as the school experienced significantly less behavioural issues and the reflection group ceased to exist. The Boxall Profiles showed that all children attending the group exceeded the developmental and diagnostic strands.</p>
<p>Resources</p>	<p>£500</p>	<p>To replenish resources related to different topics</p>	<p>Many resources have been replaced and up graded to allow the children to gain a practical understanding of topic related facts.</p>
<p>Cool Milk</p>	<p>£1040</p>	<p>Provision of milk offered to all children who are eligible for pupil premium</p>	<p>Ensuring that the children are drinking a nutritious drink.</p>
<p>First News - newspaper subscription</p>	<p>£214</p>	<p>This challenges high achievers. It increases knowledge and enhances higher order reading skills e.g. to comprehend, infer and deduce.</p>	<p>The children have been informed of current news (relevant to their level of understanding) and demonstrated a good level of understanding.</p>

Funding trips and Dinosaur visit for Pupil Premium children	£442	To allow children to go on trips and to enrich their experiences	More trips have been organised across school and this has allowed every child to access the trips, which they have thoroughly enjoyed and benefitted from the experiences.
For the pupil premium children in EYFS to receive additional speech and language support	£4,720	To support SEND children on the recommendation of EP and SALT with their language and developmental skills	These children have made significant progress, although school are still applying for additional funding to support their learning journey.
